Your Partner For Success

LAND O'LAKES SUSTAIN™

Truterra™ Insights Engine by Land O'Lakes SUSTAIN is the first of its kind, interactive on-farm stewardship digital platform that will help farmers advance their goals for stewardship and financial return-on-investment in real time, acre-by-acre. Work with our sales staff to examine each field and make a strong plan! Contact Lindsey at 785-242-5170 ext. 203 or lindseyl@ottawacoop.com for more information!

CO-OPportunities

Grain Department

Contact Agmark LLC for On Farm Grain Bids! Call 785-534-1427 to talk to our Marketing Consultant and lock in prices for the next growing season! Sit down and make a winning plan for your farm. We are eager to help you succeed! Whether it is marketing grain stored on the farm or moving grain directly from the field Agmark can help.

Patronage: Members participate in Co-op's earnings!

Crop Scouting: Trusted advisor making recommendations for your fields through weekly field checks, composite soil sampling, tissue sampling and detailed scouting reports.

VRI: Placing products only where needed to maximize crop productivity.

Pre-Pay: Save on products and make a plan for the coming year!

Input Finance: Attractive rate options allowing you to save on products but not pay until after harvest when you get paid for your crop!
